TRAINER PROFILE

Ronnie Davidson

UCT BSB, IMM, CPIM, CSCP, CISCIP, CIWIM, CIPP & CDDP

Course Facilitator and Founder of Business Learning Systems SA cc

Ronnie was involved in the IT industry for over 20 years where he started as a sales trainee with an international computer company and graduated through Sales Manager, National Sales Manager to Strategic Marketing Manager over a period of about 8 years. Ronnie attended the Graduate School of Business PMD course at UCT in Cape Town and later received the merit award for Marketing and wrote a paper on "Consumer vs Industrial Marketing" which was nominated for the Raymond Ackerman marketing award. Ronnie transferred from the outsourcing division of ICL and moved back into sales selling mainframe computers and expanded his knowledge of production & manufacturing by qualifying as a member of the American Production & Inventory Control Society [CPIM].

He started Business Learning Systems Sa specialising in Business Training and was contracted to develop the business acumen of about 60 engineers and scientists at the Atomic Energy Corporation as part of their commercialisation programme. Subsequently Ronnie was appointed as the consulting Sales Manager at the Atomic Energy Corporation for the 11 divisions that were entering the commercial market. During this period, he provided sales training and conducted weekly sales meetings for a variety of their business units.

He was appointed managing director of a medium sized engineering company where he was able to successfully implement and test the concepts, he taught on his business courses.

Within 2 years the company reduced manufacturing lead times from 16 weeks to 3 weeks and improved on-time deliveries from being an average of 2 – 3 weeks late to 78% being delivered on due day.

Sales were also improved by 35% over the period.

Ronnie successfully completed the CSCP exam certifying him as Supply Chain Professional to add to his CPIM qualification and was amongst the to qualify as a Demand Driven Professional by acquiring is CDDP certification.

He enhanced his knowledge of supply chain management by obtaining his CISCIP, CISCIP and CIWIM through the International Purchasing and Supply Chain Management Institute.

He also worked with Brian Maskell and Associates presenting their workshops on Lean Management and Value Stream Costing for lean manufacturing operations and was their appointed consultant in South Africa.

With qualifications and practical experience in manufacturing, marketing and sales from sales trainee to managing director, Ronnie brings a wealth of practical experience that provides meaningful insight and helps delegates see the business values of the concepts taught.

Challenging questions from all disciplines can therefore be addressed and answered with practical proven insight to reinforce the powerful learning objectives. There are very few presenters with this broad experience and working knowledge of business.

He personally conducts each course and has now trained over 4 000 managers and salespeople in leading African companies including IBM, Business Connexion, Altron, AECI, Atomic Energy, Denel, USAID in Uganda and oil companies in Angola.
