

**PECB Certified ISO 31000
Risk Manager**

**4 – 6 March 2026
Rainbow Towers Hotel, Harare**

Learn to help organizations establish a risk management framework and apply the risk management process based on ISO 31000

Why should you take this training course?

Risks come from multiple sources and can appear in many shapes and sizes. Almost every strategic decision within an organization is accompanied by certain risks that the organization must acknowledge and deal with. Since without taking risks, there is virtually no growth, risk management should be an integral part of the processes in every organization.

The ISO 31000 Risk Manager training course helps participants acquire the knowledge necessary and ability to integrate the risk management guidelines of ISO 31000 in an organization. It provides information with regard to the risk management principles and their application, as well as the core elements of the risk management framework and steps for a risk management process. In addition, it provides the basic approaches, methods, and practices for assessing risk in a wide range of situations.

PECB Certified ISO 31000 Risk Manager

Rainbow Towers Hotel, Harare
4 – 6 March 2026

Why is this training course more desirable than the others?

This training course is an amalgamation of theory (including here the standard ISO 31000 itself, best practices, and other risk management frameworks) and practice (through quizzes, exercises, case studies, and the like). Upon completion of the training course, you can sit for the exam and obtain the “PECB Certified ISO 31000 Risk Manager” credential. The credential demonstrates your knowledge and ability to apply the risk management process in an organization based on the guidelines of ISO 31000 and best practices.

What will the certification allow you to do?

Certification is the formal recognition and proof of knowledge which carries an important weight when you are entering the labor market, or when you want to advance in your career. A certified risk manager will be able to implement a risk management system, or improve an existing one.

Due to the ever-changing risk landscape, the demand for risk manager continues to be high. As such, the ISO /IEC 31000 certification has become the norm for best-practice in risk management. By taking a certification you showcase a certain skill level which will display added value not only to your professional career but to your organization as well. This can help you stand out from the crowd and increase your earning potential.
